

18th September 2018

Dear Parent/Carer,

Visit from Outer Space!

In line with our Science Topic, 'Stargazer', we have arranged a visit from The Science Dome.

They are coming to visit the children at school on Wednesday 17th October 2018.

The Science Dome is designed to explore science, geology and geography in an interactive way.

This is an educational visit whereby the children will be able to experience the world and beyond in the comfort of their own school. This presents a new and different learning experience for the children.

The cost of the visit is £6.00 for each child.

This is a fantastic experience and one that we are sure the children will enjoy.

Please be aware that there is no activities week this year. All school trips and leaning experiences will take place throughout the year, on different dates.

Miss McDougal, Mrs Clayton and Miss Curtis

Y5 Teaching Team

Year 5 Stargazers

Please return this slip, and make the full payment of £6.00 on parent pay by Friday 12th October 2018.

Name: Class:

I have paid £_____ on parent pay for this activity. []
