

Elm Academy 2017-2018 PE and Sports Premium

At Elm Academy , we are committed to ongoing and sustained improvement in school PE and sport. As a school that has always valued sport and PE and the place of competition and participation, we look to build on these foundations by promoting staff development in our own and other schools.

The Department for Education objectives for the funding are:

1. To improve the quality of existing PE teaching through continuing professional development in PE for generalists, so that all primary pupils improve their health, skills and physical literacy, and have broader exposure to a range of sports.
2. To increase participation levels in competitive sport and healthy activity of pupils, and maintain these into adolescence.
3. To increase the quality of initial teacher training in PE and sport, and to promote PE specialisation in primary level workforce.
4. Schools understand and value the benefits of high quality PE and sport, including its use as a tool for whole school improvement.

| Item/Project | Investment Made/Planning to make | Planned Funding | Actual Funding | Evidence | Impact of Investment | Sustainability /Next Steps |
