

## Pupil Premium Expenditure 2015/16

### Key priorities:

- Our core aim is to raise the attainment and progress of Pupil Premium students so that their performance compares favourably with Non-Pupil Premium peers.
- Address inequalities in education of pupils from low-income families and raise attainment of these pupils.

### What we expect to see:

Outstanding teaching and learning is paramount to the progress of pupils from disadvantaged backgrounds. This remains a consistent and relentless focus. In addition to this, targeted intervention and support strategies are deployed in order to:

- improve levels of attainment and progress;
- close attainment gaps relative to school averages;
- enhance reading, writing, mathematics and communication skills;
- engage and develop learning through a comprehensive extra-curricular provision;
- have a clear focus on all disadvantaged pupils, including those with SEND and more able pupils and
- support pupils in becoming aspirational, confident and successful learners
